

## Manager's Report

How are we in November already, This year has just flown by and we have achieved so much this year. We have welcomed lots of new venue hires and many different new programs. We hope to see you all back next year and be able to support your programs. Just a few friendly reminders to make sure you are allowing time before and after your programs to set up and pack down. Can we ask you please clean the room you use and its kept back how you have found the room.

We had our Pre-Kindy open night which was a huge turn out and we have filled many of our Pre-Kindy spaces. We cannot wait to get to know all the new children and create nourishing bounds with them.

Reminder, we have our worming workshop Next Tuesday 14th November head to our website to get your free tickets.

The amazing team at Dandelions WA has kicked off their Back-to-School campaign and are collecting donations for Term 1 2024. Between Nov 2023 - Jan 2024 Joondalup Family Centre is collecting School items for children in need.

Please donate any NEW school items to our donation box in the foyer. This year Dandelions WA seeking 10,000 completed backpacks to help make sure students get the best start to school possible.

Our admin closing dates for Christmas are Monday 25th December to Monday 1st January 2024.

Don't forget to like and share our FB page to see new updates.

Chloe Scott

# Pre- Kindy Update

This term we explored nature and living things, by carrying out planting vegetables in our veggie gardens. As we observed them growing, we were able to pick them and create some wonderful cooking opportunities using our own ingredients

We were creative with the theme of 'Spring' creating various art pieces, as we start to reach the warmer months. The children also noticed more bugs and insects arriving in our garden, which prompted learning and development on living things. Halloween was acknowledged and celebrated, with the children engaging in a variety of 'Spooky' experiences.

As we reach the end of term, we are putting a lot of focus on school readiness such as pre-writing skills and pre-numeracy, along with self-regulation and independence.

Nicola - Pre-Kindy Coordinator
