Manager's Report

The Centre has had a really successful start to the year so far with many new amazing community user groups at our centre, to know what's on at the centre you can view or website or Facebook group and notice boards.

Our first ever centre community car boot sale was a massive hit and we had lots of the local community come and have a look around. Our centre is becoming busy so please make sure you are booking in for any extra sessions you may need in advance and allow enough time to set up and pack away.

Get involved and help raise funds by purchasing a pizza on this day from either store Beldon or Joondalup Dominos every \$1 will be donated directly to Joondalup Family Centre. We have our Harmony community cooking day on Thursday 21st March 9am-12pm head to our website to get your tickets.

Last week you would have received a satisfaction survey we would appreciate it if you could all complete this. It really helps up with service improvement. If you have any ideas on new things you want to see at the Centre, please make us aware of those too. This information is needed to provide feedback to the department of communities to show what local programs we are offering to the community.

If you haven't complete the survey please click on the link

Pre-Kindy Update

We began our year, with lots of new families and children joining us. This was the perfect opportunity to begin our year with an 'All about me' theme.

The children used mirrors to create self portraits, identifying their features as well as their personalities!

We have created a sense of belonging in the environments, by encouraging activities and discussions based on home life, including families, our bodies, our houses and our pets!

We welcomed back our intergenerational program with Silver chain and have several exciting incursions booked for the year ahead.

On 16th Feb we held our first Pre-Kindy fundraising event The Colour Run, the children had so much fun and we raised \$890.60

FriYAY Youth Club Update

We are half way through Term 1 and we have has some amazing activities for our FriYAY Youth Club so far including Tech night, Cooking & Reptiles.

FriYAY is run by our amazing Youth Worker Shaz and is aimed at children aged between 7-11 years old. It runs Term based each Friday from 4pm -5.30pm.

FriYAY provides an open invitation to our youth community members to congregate at Joondalup Family Centre and join in different planned activities each Friday afternoon/Evening to meet new people and form new friendships.

Spread the word with family and friends. Bookings are essential through our website.
